## To Bring You My Love

i was born in the desert  
i been down for years  
jesus, come closer  
i think my time is near  
and i've traveled over  
dry earth and floods  
hell and high water  
to bring you my love

climbed over mountains  
traveled the sea  
cast down off heaven  
cast down on my knees  
i've lain with the devil  
cursed god above  
forsaken heaven  
to bring you my love

to bring you my love  
to bring you my love  
to bring you my love

i know he's gonna be here  
you know he's gonna be here  
yeah alright

forsaken heaven  
cursed god above  
laid with the devil  
bring you my love

to bring you my love  
to bring you my love  
to bring you my love

## Meet Ze Monsta

see it coming  
at my head  
i'm not running  
i'm not scared

big black monsoon

i'm not jerking  
i won't hide  
yeah, i'm ready  
meet ze monsta tonight

big black monsoon  
take me with you

## Working For The Man

in the night i look for love  
endless strength from the man above  
god of piston, god of steel  
god is here behind the wheel

i'm just working  
for the man

pretty things get in my car  
take them flying, it's not far  
take in handsome, take in me  
look good in my steel machine

i'm just working  
for the man

don't you know yet who i am  
working harder for the man  
go around i'm doing good  
get my strength from the man above

i'm just working  
for the man

i'm just doing  
what i can

go around i'm doing good  
go around i'm doing good  
go around i'm doing good  
go around i'm doing good  
go around i'm doing good  
go around i'm doing good

## Teclo

long goes the night  
longer the day  
teclo your death  
will send me to my grave

i learned to beg  
i learned to pray  
send me his love  
send him to me again

let me ride  
let me ride  
let me ride on his grace for a while

let me ride  
let me ride  
just let me ride on his grace for a while

long goes the night  
longer the day  
teclo your death  
will send me to my grave

let me ride  
let me ride  
just let me ride on his grace for a while

let me ride  
let me ride  
just let me ride on your grace for a while

just let me ride

## Long Snake Moan

mm-hmmm

dunk you  
under  
deep salt  
water  
bring me  
lover  
all your  
power  
i'll be  
no hell  
out of  
your spell  
over  
under  
die of  
pleasure

hear my  
dreaming  
you'll be  
drowning  
hell's no  
god above  
all drunk  
on my love

you oughtta hear my long snake

moan!  
you oughtta see me crawl my  
moan!

dunk you  
under  
deep salt  
water  
in my  
dreaming  
you'll be  
drowning  
raise me  
up lord  
call me  
lazarus  
hey lord

moan!  
you oughtta see me crawl my...  
moan!

## Down By The Water

i lost my heart  
under the bridge  
to that little girl  
so much to me  
and now i moan  
and now i holler  
she'll never know  
just what i found  
that blue eyed girl  
{that blue eyed girl}  
she said "no more"  
{she said "no more"}  
that blue eyed girl  
{that blue eyed girl}  
became blue eyed whore  
{big blue eyed whore}  
down by the water  
{down by the water}  
i took her hand  
{i took her hand}

just like my daughter  
{just like my daughter}  
see her again  
{see her again}

oh help me jesus  
come through this storm  
i had to lose her  
to do her harm  
i heard her holler  
{i heard her holler}  
i heard her moan  
{i heard her moan}  
my lovely daughter  
{my lovely daughter}  
i took her home  
{i took her home}

little fish. big fish. swimming in the water.  
come back here, man. gimme my daughter.

## I Think I'm A Mother

you think you'll come over  
i'll give you my number  
you lover, supporter  
then give me a mother  
you come take me home and  
take me to your doctor  
you think you'll come over?

i think i'm a mother

roll over, roll over  
and roll me a man-a  
you lover, my lover  
you just roll me over  
you give me a mother  
a man if i love her  
i love her, i'll keep her  
i'll let her just keep her

come on and support her  
i said to the mother  
she said you come over  
she said she'd support her  
i love her, i kept her  
and then she just left and  
alone, i explore ya

i think i'm a mother

??  
??  
??

## Send His Love To Me

lover had to leave me  
cross the desert plain  
turned to me, his lady  
tells me "lover wait"

calling jesus, please  
send his love to me

oh, wind and rain may haunt me  
look to the north and pray  
send me, please, his kisses  
send them home today

i'm begging, jesus, please  
send his love to me

left alone in desert  
this house becomes a hell  
this love becomes a tether  
this room becomes a cell

mommy, daddy, please  
send him back to me

how long must i suffer?  
dear god, i've served my time  
this love becomes my torture  
this love, my only crime

lover please release me  
my arms too weak to grip  
my eyes too dry for weeping  
my lips too dry to kiss

calling, jesus, please  
send his love to me

i'm begging, jesus, please  
send his love to me

## The Dancer

he came riding fast like a phoenix out of fire flames  
he came dressed in black with a cross bearing my name  
he came bathed in light and the splendor and glory  
i can't believe what the lord has finally sent me

he said dance for me, fanciulla gentil  
he said laugh a while, i can make your heart feel  
he said fly with me, touch the face of the true god  
and then cry with joy at the depth of my love

cause i've prayed days, i've prayed nights  
for the lord just to send me home some sign  
i've looked long, i've looked far  
to bring peace to my black and empty heart

my love will stay till the river bed run dry  
and my love lasts long as the sunshine blue sky  
i love him longer as each damn day goes  
the man is gone and heaven only knows

cause i've cried days. i've cried nights  
for the lord just to send me up some sign  
is he near? is he far?  
bring peace to my black and empty heart

so long day. so long night  
good lord, be near me tonight  
is he near? is he far?  
bring peace to my black and empty heart
